Speyside Leg Club had a lovely 10 Years Anniversary Celebration. After planning for our event everything went well. Even the weather held out.

We met on Tuesday 10th November at 2pm in the Masonic Hall, which is our usual venue, in lovely Aberlour-on-Spey.

The hall looked festive, and the tables were laden with food. The committee had worked very hard.

Our special guests were The Lord-Lieutenant of Banffshire, Mrs Clare Russell, and Miss Walker from Walkers Shortbread who had opened the first meeting 10 years ago and has supported us from the beginning. Many of our members had specially come, some who had been there on the first Tuesday,1st of November 2005.

Mr Norman Anderson, our chairman, welcomed the guests and Ally Lister, on whose initiative Speyside Leg Club was founded, read out a message from Ellie Lindsay.'
