Secretary Ann Evans and District Nurse Mary-Ann at the Tesco store in Welshpool on the 1st December, 2015 manning the desk at a Leg Club awareness day. This was an opportunity for the club to promote themselves and to answer questions from shoppers and encourage those who need advice to come along and join us. We didn't manage to fill the very large donation bucket but did collect a respectable amount.

Thank you Tesco for hosting Leg Club awareness day.
