Fundraising Success at Southend Leg Club

On Tuesday 2nd February the Southend Leg Club was pleased to welcome Sally Holman and her colleague from the nearby Waitrose Supermarket who presented us with a cheque for £412 as part of their "Community Matters" campaign.

We were contacted towards the end of last year to say that we had been nominated and chosen to take part in their "green token" scheme for local charities and were very grateful to all those people who supported us.

The money has enabled us to purchase a set of extra-large cuffs for the new doppler machine recently acquired by our nurses. Our grateful thanks go out to Waitrose for their generosity and to our loyal members, friends and families who supported us.

In December 2015 we were also chosen to receive a Christmas Grant of £300 from our local Asda Supermarket. This is granted to charities in the area to bring some joy at the festive season and allowed the Committee and Volunteers to organise a Christmas party with a buffet and entertainment - our way of giving something back to our members for all their support during the year in helping us to fundraise in order to keep the Club running and purchase much needed equipment for our hard-working nurses!
