Brentwood Leg Club News Letter

Spring/summer

2014

Progress Update

Since opening the doors of the Brentwood Leg Club last October we have welcomed a total of 94 members. Average weekly attendance has slowly increased and we are now seeing between 13-19 members per week.

Leg club has been well received by the local community and we are building a team of dedicated volunteers who help out each week.

Fundraising Events

This year so far we held 2 fund raising events so far. In March we held our first Leg Club Quiz night followed by our first Easter Egg Hunt and family fun day.

Both Events togther wit a raffle raised an amazing £635

Thanks to all those who took part.

Staff Update

Brentwood Leg Club Nurse Natalie Freeman won one of two Leg Club industry supported scholarship to this years European Wound Management Association conference along side Jane Banwell Leg Club lead in Llansanffraidd. The conference was held in Madrid 14-16 may.

It was an amazing learning experience and also gave Natalie opportunity to gain a better insight into how other Leg Clubs run.

We would like to welcome our new member of staff Joanne to the permanent Leg Club team. We have also introduced a Leg Club learning programme for community nurses from the Brentwood team at Crescent Drive, so get ready to welcome lots of new faces.

We are also excited to welcome Janice to the volunteer team. Janice does an amazing job providing beauty treatment for members during the sessions. If any one else is interested in becoming a Leg Club volunteer please speak with Katie. New volunteers are always welcome in a variety of roles.

New Education Sessions are Coming soon to Leg Club.
