Thetford Leg Club's Newsletter August 2015

We have managed another year running the Leg Club with new people coming and going. We have another volunteer Wayne who helps out in Hazel's absence, so we welcome him.

Hazel brought in a lovely carrot cake she had made, we are asking for the recipe, it is very popular, can't wait for the next one. Hint! Hint!

We would like to thank the Norfolk Community Foundation for funding us the rental costs for a full year. We are pleased and grateful to them because the Leg Club has helped so many people and we are enjoying coming in and meeting you all. They have ensured we can run for another year, this will give us time to raise further funds.

Our thanks go out to you all as your generous donations are helping us to keep the Leg Club running with it's continual needs.

Congratulations to our nurse Alison who will be off to Miami to get married in September – We all wish her and her future husband best wishes and many happy years together!

We are in the process of **considering moving premises**, this is being discussed and the new premises assessed for our use before a decision is made.

The **questionnaire** asking for your opinions on the move came back positive. For those with cars or who use taxis, there would be no problems, for those who use buses, they would find it easier, and those who walk, some would find it easier and some more difficult depending on where they live..... Thank you all for answering the questions.

Robert Bawden our **new trustee** from the Lindsay Leg Club Foundation, came to visit us for the first time at the end of July. It was a pleasure to meet him and his encouragement was helpful. He is a retired G.P. but we refrained from asking about our various ailments. He may visit us again in the near future.

We may be arranging a **boot sale or table top sale** during the next few weeks, we will let you know if this happens.

We are glad our treasurer Frank has recovered from his recent injury and is back to his normal self.
