Handy Tips

Roll a few sheets of old newspapers together and stuff into the empty tubes left by toilet rolls or kitchen rolls and then use as an alternative or an addition to logs in your fireplace.

The Least Successful Football Trainer

In the first ever World Cup the trainer of the American Soccer team set an example which no other has yet managed to equal. In the 1930 semi-final, Argentina had just scored a disputed goal against the USA. Shouting abuse at the referee as he travelled, our fellow dashed out to tend an injured player.

The 80,000 crowd roared with approval as he ran onto the pitch, threw down his medical bag, broke a bottle of chloroform and anaesthetised himself. He was carried off by his own team.

Did you know.?

A cat can keep purring while inhaling and exhaling.....

Let us take a few moments to remember those who have left us and let's not cry but let's just celebrate what fabulous folk they were and how lucky we are to have had them in our lives.

Roger's Receipt for Leftover Chicken or Turkey

1 oz flour – 1 diced onion
1oz butter – 1 chicken stock cube
peas and corn to taste
1 diced red or green pepper (optional)
8ozs cold water – salt & pepper
Cup of diced chicken or turkey
****

Fry onion in butter until tender, add flour, add water and whisk gently whilst heating. Cook for 5 minutes. Add stock cube, peas, corn, chicken or turkey and add the salt and pepper. Taste and adjust seasoning if required. Add the meat and simmer for 5 minutes. (If you are using peppers cook these with the onion). You will now have a deliciously simple stew which can be served with rice, potatoes or eaten on its own with crusty bread and which takes no time to prepare!

Yum Yum.....
