Thetford Leg Club's Newsletter July 2014

The dates for the forthcoming fundraising events are:

The Sponsored Walk is on **Sunday morning the 20th July 2014** we meet outside the Methodist Church for 11:30 start. The sponsor forms are available now at the Leg Club. We are looking forward to your support.

The Tombola/For Sale stall is on **Saturday morning 26th July 2014**. If you would like to donate items they can be brought in on the Wednesday before this date or we can take small items before then.

We would like to thank Ted for the great banner he has had made for our fund raising stall, he has generously donated this to the Leg Club.

We are looking to raise enough money for next year's rental costs and for a couple of Bariatric chairs for the people who find it difficult to get in and out of a normal chair, this would be safer and put the patient at ease.

We would like to thank you all for your donations via our club donation tin; this does help towards the rental costs.

One of Bert's jokes "Why did the hedgehog cross the road?" "He wanted to see his flat mate!" Unfortunately or fortunately his other jokes are not printable.

Take care all, from the volunteers; Frank, Hazel, Jill, Linda and Ted.

Kind Regards

Linda Wood – Secretary
Thetford Leg Club
