essity

Here for you

During these uncertain times, the Essity team would like to reassure you of our continual support and dedication to you, other healthcare professionals and your patients.

Our Customer Services team are working hard to process your orders and provide ongoing service to you and all our customers.

For order enquiries please email us at **orders.uk@essity.com**
For general enquiries please email **concierge.service@essity.com**

Our customers, consumers and patients are our number one priority, please be assured we will endeavour to keep service levels as high as is practical in the circumstances. Thank you for your understanding and continued support.

Here to help

The Essity Account Managers are available to take your calls on any queries you may have including patient self-care.

Email or call your local Account Manager as normal

PM SOCIETY
